Financing Guidelines:

Homeport will administer this down payment and closing cost assistance to eligible homebuyers in the form of **0% interest rate**. The homebuyer will not make any monthly or annual payments on this deferred loan and will be cancelled after the sixth year of the original purchase, as long as the borrower lives in the property for 6 years, after the purchase, as her/his primary residency and the terms of the note and other agreements are fulfilled. If the homebuyer does not remain in the home for a period of six years, the loan amount is due and payable at resale or transfer of title.

The maximum amount of assistance is 5% of the purchase price up to **\$15,000.00** for down payment and closing costs.

This program uses FHA loan limit for the Columbus Metropolitan Service Area for 2023 for a single-Family Home.

At the time of application to Homeport for down payment assistance, the buyer must have \$500 of their own funds available, exclusive of loans or credits, to contribute as equity. These funds may include amounts paid for the purpose of credit report fees, appraisals, inspections and/or down payment.

The applicant will execute a promissory note and mortgage to the Franklin County Board of Commissioners to evidence the loan. The promissory note stipulates that if the beneficiary does not remain in the home for six years, the loan will become due and payable. Also, subletting or renting, even on a temporary basis, is not permitted. The applicant must have a credit and budget counseling session 6 months after closing on the loan.

The first mortgage must be amortized for 30 years with a fixed rate for the life of the loan (30 years) and the APR may not exceed 1% of the actual interest rate on the loan. Fees to "Buy down the Interest Rate" are not permitted and makes the loan ineligible.

The Franklin County Downpayment assistance must be always in 2nd Lien position. If the lender offers an additional deferred loan assistance, this must be in a 3rd Lien position. The FR-DAP does not allow seller financing.

Property Inspection/Appraisal

A complete copy of the appraisal and home inspection must be submitted to Homeport with the application package at the time the application is submitted. Homeport assumes no responsibility to borrower, Franklin County, or any other person with respect to Homeport's review of an appraisal, inspection report, or inspection of the Property, and may not be relied upon by the borrower for any purposes whatever.
